# Streamlining and expediting treatment planning for optimum results even when there is no absence

**FOR GUIDANCE RESOLVING MENTAL AND PHYSICAL CONDITIONS** when the employee is still at work but needs support.

**CARE AND SUPPORT** can include expedited access to counselling services, coordination, intensive inpatient/ outpatient referral, assessment and diagnostic services, physical and occupational rehabilitation services, and much more.

**COMPLETE CONFIDENTIALITY** is fundamental to our services.

OSI helps remove barriers to timely and effective treatment for the individual needing care.

Our professional Recovery Facilitators discuss the individual's situation and goals with them. OSI will work within the healthcare system (with the person's consent).

**We ensure the individual receives the right care along the healing journey.**

# The missing link to optimum care: Navigation services

Professional healthcare navigation is an essential service in today's complex environment. With multiple providers, long waiting lists, different treatment protocols, and various insurance plans, it can be challenging for individuals to effectively navigate the healthcare system, especially when they're not feeling their best.

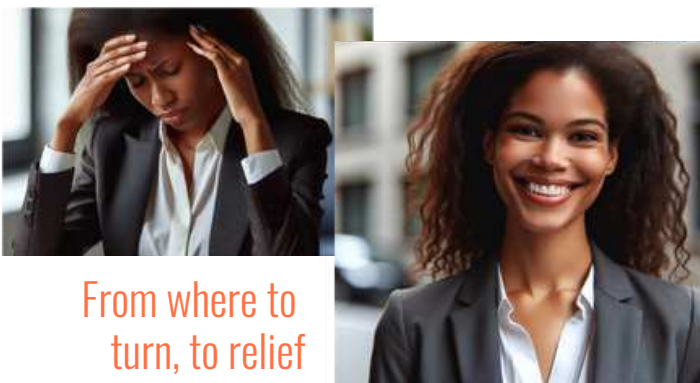

OSI will guide individuals, helping them understand their options and make informed diagnostic and treatment decisions. The OSI Recovery Facilitator has the experience, expertise, and empathy to offer support and the most effective care possible in a timely and effective way.

Navigating healthcare is what we do - with experience, expertise, and empathy.

**OSI can close an anxiety-filled gap through expedited access to care and support navigating the healthcare system.**

## **OSI NAVIGATION SERVICES INCLUDE CONFIDENTIAL SUPPORT ACCESSING:**

- Assessment Services
- Diagnostic Services
- Counselling Services
- Physical and Occupational Rehabilitation Services
- Intensive Inpatient/Outpatient Treatment Program Referral
- Community Resources and Information
- Additional Healthcare Requests

From where to  
turn, to relief
