

# Short Term Disability Claims Management

**Simple goals. Sophisticated tools.** Supporting employees so they can return to work sooner, safely, and sustainably is one of the most important components in recovery.

ORGANIZATIONAL SOLUTIONS INC.  
SOLUTIONS ORGANISATIONNELLES INC.

## The Organizational Solutions difference

**Our recovery facilitators** have medical backgrounds and manage each case from start to finish with empathy and care.

---

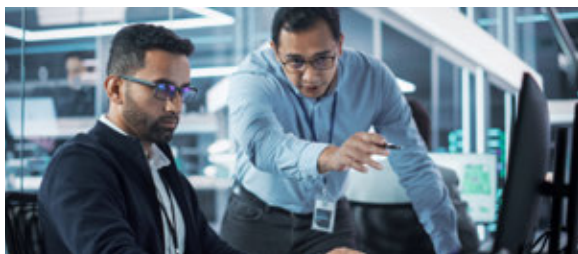

**Early intervention and high-touch communications** help to keep employees engaged, positive, and committed to moving forward.

---

**Proven processes and procedures** to deliver faster and safer results. The goal: return to work. The proof: staying at work.

---

**Advanced technology**, featuring our robust claims platform to deliver real-time status updates and powerful insights.

# The right care, at the right time, for the right outcome™

## Let us do the heavy lifting when it comes to managing short term disability claims.

Clients count on our full-time salaried experts to ensure that sick or injured employees are on the right path to a safe, fast, and sustainable recovery. From managing paperwork and communications to insightful analysis of absence data, OSI has proven systems in place.

## It adds up: improved ROI when OSI is your partner

Companies that partner with OSI are healthier and stronger. Our model includes firm but fair claim management with a focus on reducing claim durations and returning employees to their productive roles.

## About OSI

Organizational Solutions Inc. is a proud Canadian success story. Founded in 2003, the company has been built around the overarching vision of providing the right care, at the right time, for the right outcome.

We have a national presence with 21 offices across the country. Wherever you are, we understand the local market.
