

# Workers' compensation claims management that makes sense

**Let us reduce your workers' compensation costs**  
while easing administrative pressure.

ORGANIZATIONAL SOLUTIONS INC.  
SOLUTIONS ORGANISATIONNELLES INC.

## Workers' compensation claims can be costly, complicated, and time consuming.

We have a thorough understanding of each province's workers' compensation system. We'll help you manage a more effective and cost-efficient program and help you navigate through complex issues. Our proprietary analytics uncover savings opportunities.

Intake and report of injury

Support recovery and RTW

Care management

Regular meetings and trend reports

Appeals and tribunals

Cost saving opportunities

**Proactive, simple, and transparent. Our programs support your employees and your company goals while meeting legislated guidelines.**

**Manage organizational risk and cost**  
OSI balances the corporate need to control cost and risk with employee well-being, to deliver true organizational health.

**Remain compliant with legislation**  
We stay current on legislative changes, best practices, and updates in disability management, and we help to keep you updated through articles and posts.

**Support employees**  
Empathetic care and understanding, along with close communication, help your employees focus on the job at hand: getting well.

## The Organizational Solutions difference

Our team is made up of experienced professionals, including doctors, nurses, paralegals, and more.

Our solutions can help reduce your workers' compensation costs while easing administrative pressures. We work with you to mitigate your risk, maximize savings, and reduce anxiety over complex claims and procedures.

### We'll make sure your organization,

- has a strong case management process
- is in the correct workers' compensation rate group
- is maximizing available cost reduction programs

## About OSI

Organizational Solutions Inc. is a proud Canadian success story. Founded in 2003, the company has been built around the overarching vision of providing the right care, at the right time, for the right outcome.

We have a national presence with 21 offices across the country. Wherever you are, we understand the local market.
